

Bench sponsorships provide funds to help support and enhance the downtown. Dedicating a bench is a thoughtful gift for your beneficiary.

**Bench and Table Sponsorship Program Policy:
Please read both pages before signing on last page.**

1. Bench sponsors may create a tribute to a loved one; celebrate a treasured anniversary, birthday or graduation; or just express appreciation for Downtown Cranford.
2. The plaque associated with a bench is symbolic of the sponsorship and does not entitle the donor to ownership of the furniture. Please do not paint, stain or lacquer the benches. All furniture is maintained by staff according to the Township of Cranford's standards.
3. Please do not leave personal items, including vases or flowers, on the bench. This furniture is located on township property and must be available for use by the public. The Township is not responsible for any items left on or around the bench, and will remove all such items.
4. Sponsorships are accepted depending upon location and availability. A commemorative plaque is included in the cost.
5. Installation requires an estimated 3 months, but may take longer due to unpredictable circumstances. We will strive to meet a requested installation date, but it cannot be guaranteed.
6. Complete funding for the sponsorship must be processed before any work commences. Current sponsorship levels are \$3,000. Sponsorship amounts are adjusted periodically and may change without notice.
7. Downtown Cranford guarantees maintenance of the bench by its staff during the period of sponsorship, which will not exceed 10 years.
8. After 10 years, at the Township's discretion, the sponsored furniture will be available for renewal with the first right of refusal given to you, the current sponsor. If the current sponsor chooses not to renew the sponsorship, the furniture may be removed and the site may be rededicated.
9. Downtown Cranford retains the right to relocate a bench at any time. If the furniture needs to be relocated, the Department will attempt to contact the donor to discuss an alternate location. The Department will make the final determination for the furniture's location.
10. A maximum of 60 characters is permitted on the plaque. Spaces and punctuation apply. Due to the size of certain letters, a change in wording may be requested for readability. Text is subject to approval by Downtown Cranford.
11. The recognition plaque is not intended as a memorial marker and may not include birth and death dates or years. Messages should be simple statements recalling the event or person(s) recognized.
12. If the plaque is damaged or vandalized, we will inform you and give you the option to purchase a new plaque.
